SPECIAL NOTES:

Our themed dinners are on the first Saturday of the month beginning at 5 pm. All of our dinners are covered dish. Please bring your favorite dish or desserts to accommodate your party. The dinners are for campers and their children/grandchildren and their spouse only. Your guest are welcome to attend our dances beginning at 8 pm. Listen/dance the night away (or up to midnight) to the music provided by our excellent DJ Stephanie! The Community Calendar events will be posted on our website at: fallingwatersriverlots.com. For campers only, event reminders are available on Facebook by friending me and you will be added to the Falling Waters River Lots group. Changes to the calendar will be noted on the website (after the May 4th meeting), on Facebook and on the Message Board.

A special note of appreciation to Melinda and her family and friends in hosting our 1st Cancer Awareness Walk in Memory of Diane. To Lance and Lori for hosting the past 10 Poker Runs. To Robbie and Julie Kershner for their involvement with the Fireworks display and Halloween activities. To Ed, Darlene, Wink and Carol and their families for hosting many of the children's activities. And to the many volunteers who have dedicated their time because the events would not happen without their help. If you would like to help with any of the dinners or events, please see the Coordinators. Let's have fun this season at the river!
